### 3. Review of teaching process/Pedagogy

| S.no | Item No.   | Existing  | Recommendation/action taken   |
|------|--|---|---|
| 1.   | Enrichment in teaching pedagogy for better understanding | Audio visual aids, projectors, white board, peaceful learning environment | Proper interaction with students, involve the students in training & learning program |

**4. Result analysis:-** In each session of final year BDS, 1<sup>ST</sup> and 2<sup>ND</sup> internal assessments will be held and according to which for the weak students who will score less in the internal examinations, remedial classes will be taken, than exams will be held after the remedial classes and progress will be noticed.

**5. Feedback analysis:-** Undergraduate/BDS feedback analysis will be centralised. MDS/PG feedback analysis- PG feedback was taken, analysed and action was taken on the feedback accordingly. There was complain regarding extent of participatory learning by the students. It was decided to involve the students more in clinical discussions and demonstrations apart from regular seminars and journal club's which were there in the curriculum.

**6. Any other issue with the permission of the chair:-no**

The meeting concluded with a vote of thanks to the chair. Date of the next meeting to be decided and conveyed later.
