Department of Oral Medicine and Radiology

Minutes of Meeting

Board of Studies

A meeting of Board of Studies was held on 31.08.24 at 10.30am in the office of HOD, Department of Oral Medicine and Radiology for Undergraduate and Postgraduate program. The following members were present:

1. Dr Asheesh K Sawhny Principal; Chairman *AS*
2. Dr Vishal Mehrotra , Professor & HOD; Convener *Vinod*
3. Dr Rahul Srivastava, Professor, Department of Oral Medicine and Radiology-Member *Rahul*
4. Dr Kriti Garg, Reader, Department of Oral Medicine and Radiology-Member *Kriti*
5. Dr Sachin Kushwah, Reader, Department of Oral Medicine and Radiology-Member *Sachin*
6. Dr Sameksha Shwetam, Senior Lecturer, Department of Oral Medicine and Radiology-Member *Sameksha*
7. Dr Shazia Aslam, Senior Lecturer, Department of Oral Medicine and Radiology-Member *Shazia*

The following members agreed to review the minutes:

1. Dr . Abhishek Sinha , Professor & HOD, Department of Oral Medicine and Radiology, Sardar Patel Dental College , Lucknow-External Member Mobile No. 8948116600, 9415311969 *Abhishek*
2. Dr Mohit Sareen. Professor , Rajasthan Dental College, Jaipur. Mobile No. 7597711183 *Mohit*

## Agenda:

1. Action Taken Report(ATR)on minutes of Previous meeting

The BOS committee confirmed the minutes of the BOS meeting held on 24/08/2023

*Vinod Kriti Rahul Sachin AS Sameksha Shazia Abhishek Mohit*

### 3. Recommendation on New courses/Short Term Training

S.No.	Item No.	Feedback from Faculty/Students	Recommendation/ Action Taken
1.	Conduction of career oriented short term courses(30hours)	Training/certificate based short term courses for developing practical skills is suggested	One short term course is proposed for enhancing knowledge and skill of the students: "CBCT and its Dental Implications"

### 4. Review of teaching process /pedagogy:

S.No.	Item No.	Existing	Recommendation/ Action Taken
1.	Enrichment in teaching pedagogy for better understanding	Audio visual aids, white boards, projectors, and a friendly/peaceful learning environment	There is proper one to one interactions with students enrolled in the training and learning program. Experimental learning by doing treatment on patients should be adopted
2.	Evaluation Scheme	Existing evaluation scheme as per DCI is adopted	Proper evaluation for final year undergraduate students and all the post graduate students is taken( the protocol is attached below)

5. **Result analysis:** Summary of the result analysis of the student's performance in the internal examination was presented and it was suggested that the remedial classes should be conducted for the students whose performance was not found to be satisfactory.
6. **Feedback analysis:** Analysis was performed based on the summary of already collected feedback from the students and suitable action was taken.

Rama City, G.T. Road (Near Mandhana Railway Station)

Mandhana, Kanpur- 209217

Program Name: BDS (Bachelor of Dental Surgery)	
PO1	<b>Basic Knowledge:</b> Graduates should have a comprehensive understanding of the basic medical and dental sciences, including anatomy, physiology, biochemistry, pathology, microbiology, and pharmacology.
PO2	<b>Professional Ethics:</b> Students should be familiar with the ethical and legal responsibilities of a dental practitioner, including patient confidentiality and informed consent.
PO3	<b>Professional Development:</b> Graduates should engage in continuous professional development, staying updated with the latest advancements in the field of dentistry through workshops, seminars, and further education.
PO4	<b>Preventive Dentistry:</b> Graduates should be able to educate patients about oral hygiene, preventive measures, and promoting oral health in the community.
PO5	<b>Radiology:</b> Graduates should understand the principles of radiographic imaging, including the interpretation of dental X-rays and other imaging techniques.
PO6	<b>Community Dentistry:</b> Graduates should have knowledge of public health dentistry, including epidemiology, community dental health programs, and dental health education.
PO7	<b>Oral Health Promotion:</b> Students should be equipped to promote oral health and preventive dentistry practices in the community.
PO8	<b>Clinical Skills:</b> Graduates should be proficient in diagnosing dental diseases and abnormalities, planning and implementing appropriate treatment, and performing various dental procedures, including restorative, surgical, and preventive techniques.
PO9	<b>Research Skills:</b> BDS graduates should be able to critically evaluate scientific literature, conduct research, and apply evidence-based practices in dentistry.
PO10	<b>Patient Care:</b> Graduates should be capable of providing comprehensive oral health care to patients of all ages, understanding the needs of patients, and demonstrating effective communication and interpersonal skills.
PO11	<b>Practice Management:</b> Students should understand the basics of dental practice management, including financial management, clinic organization, and regulatory compliance.
PO12	<b>Legal and Regulatory Aspects:</b> Graduates should be aware of the legal and regulatory aspects related to dental practice in the respective country, including licensing requirements and professional liabilities.
PO13	<b>Lifelong Learning:</b> Graduates should have developed a commitment to continuous learning and keeping up-to-date with advancements in the field of dentistry.

Program Name: MDS (Master of Dental Surgery)	
PO1	<b>Advanced Clinical Skills:</b> MDS graduates should demonstrate advanced proficiency in performing specialized dental procedures related to their chosen area of specialization. This may include complex restorations, advanced surgical techniques, endodontic treatments, orthodontic procedures, periodontal surgeries, prosthodontics, etc.
PO2	<b>In-depth Knowledge:</b> Students should possess an extensive understanding of dental and medical sciences relevant to their specialization. This includes advanced knowledge of anatomy, physiology, pathology, pharmacology, radiology, and other related subjects.
PO3	<b>Evidence-based Practice:</b> MDS graduates should be capable of critically evaluating scientific literature and implementing evidence-based practices in their clinical decision-making.
PO4	<b>Research and Dissertation:</b> MDS programs require students to conduct original research in their field of specialization and present a dissertation. Post Graduates should be competent in research methodology, data analysis and scientific writing.
PO5	<b>Patient Management:</b> Post Graduates should be skilled in effectively managing patients with complex dental conditions, considering their medical history and individual needs.
PO6	<b>Advanced Imaging and Diagnostics:</b> MDS students should be proficient in using advanced imaging techniques and diagnostics relevant to their area of specialization.
PO7	<b>Professional Ethics:</b> Students should be well-versed in the ethical and legal aspects of specialized dental practice, including patient confidentiality and informed consent.
PO8	<b>Leadership and Teaching:</b> MDS graduates should have the skills to provide leadership in their field, and many MDS programs also include opportunities for teaching and mentorship.
PO9	<b>Continuing Education:</b> MDS programs often instill a commitment to lifelong learning and encourage graduates to stay updated with the latest developments in their area of specialization.
PO10	<b>Community Engagement:</b> MDS graduates may participate in community outreach programs, providing specialized dental care to underserved populations and promoting oral health awareness in the community.
PO11	<b>Legal and Regulatory Compliance:</b> MDS graduates should have a strong understanding of the legal and regulatory aspects of dental practice, including compliance with professional standards, ethics, and licensing requirements.

## FACULTY FEEDBACK AND ACTION TAKEN REPORT ON MDS CURRICULUM

(2023-2024)

S.NO	FEEDBACK	ACTION TAKEN
1.	How do you rate the Course Content activities that help your students in getting jobs and placements	The course content activities will be reformatted to include highly updated teaching methodologies based on various dental advancements , which may help the students being aware of the latest technologies, thus helping them in facing job interviews
2.	How do you rate the availability of the text and reference books in the market	The department will be recommending new books and E journals to be added in the central as well as in the departmental library , as this will be of great help for the studnets to prepare for university examinations as well as in future to prepare for job placements
