3. Recommendation on New courses/Short Term Training:

Sl. No.	Item No.	Feedback from Faculty/Students	Recommendation/ Action Taken
1.	Conduction of career oriented Short-term courses (30 hours)	Training/certificate based short term courses for developing practical skills.	DCI approval short-term courses are conducted at external conferences and workshops with CDE points. No amendments notified for the same.

4. Review of teaching procedures:

Sl. No.	Item No.	Existing & Feedback from Faculty/Students	Recommendation/ Action Taken
1.	Enrichment in teaching pedagogy for better understanding	Audio visual aids, white boards, projectors, and a friendly/peaceful learning environment	One-on-one interactions with students enrolled in the training and learning program. Experimental learning by doing treatment on patients should be adopted
2.	Conduction of seminars for the clinical postings to enhance the clinical skills	Clinical posting assessment should involve seminars/symposium on specific topics.	Proposal to assess the clinical capabilities and understanding of clinically oriented topics via seminars/symposium have been suggested for students with clinical postings.

5. Result Analysis: for BDS students, each academic year will have 3 internal theory/practical examinations every consecutive 3rd month prior to the university examination. Suggestion for constituting a remedial batch for those students whose internal examination marks are not satisfactory.

6. Feedback analysis enclosed is the analysis of the feedback on academics by the students and faculty of batch 2018-19 and suitable action taken report.
