4. Review of teaching procedures:

Sl. No.	Item No.	Existing & Feedback from Faculty/Students	Recommendation/ Action Taken
1.	Conduction of seminars for the clinical postings to enhance the clinical skills	Clinical posting assessment should involve seminars/symposium on specific topics.	Proposal to assess the clinical capabilities and understanding of clinically oriented topics via seminars/symposium have been suggested for students with clinical postings.
2.	Teaching methodologies for better understanding of the topics	Audio visual aids, white boards, projectors, and a friendly/peaceful learning environment	One-on-one interactions with students enrolled in the training and learning program. Learning under supervision by doing treatment on patients should be adopted

5. **Result Analysis:** for BDS students, each academic year will have 3 internal theory/practical examinations every consecutive 3rd month prior to the university examination. Suggestion for constituting a remedial batch for those students whose internal examination marks are not satisfactory.

6. **Feedback analysis:** enclosed is the analysis of the feedback on academics by the students and faculty and the suitable action taken report.

7. Any other issues to be related upon, with the permission of the Chairperson: None

Dr. Tanu Mahajan, convener, and Chairperson of BOS concluded the meeting with a vote of thanks.
