- iii. Research Advisory Committee (RAC) for each research Candidate.

(c) The execution of the Program shall be done by the Dean, Research & Development (at University level).

4. ELIGIBILITY FOR ADMISSION TO PH.D. PROGRAM

(a) A Candidate for pursuing research for a Ph.D. Degree of the University must hold a Master's Degree or a professional degree declared equivalent to the Master's degree by the corresponding statutory regulatory body, with at least 55% marks in aggregate or its equivalent grade 'B' in the UGC 7-point scale (or an equivalent grade in a point scale wherever grading system is followed) or an equivalent degree from a foreign educational Institution accredited by an Assessment and Accreditation Agency which is approved, recognized or authorized by an

authority, established or incorporated under a law in its home country or any other statutory authority in that country for the purpose of assessing, accrediting or assuring quality and standards of educational institutions.

- (b) A relaxation of 5% of marks, from 55% to 50%, or an equivalent relaxation of grade, may be allowed for those belonging to SC/ST/OBC (non-creamy layer)/differently-abled and other categories of Candidates as per the decision of the Commission from time to time, or for those who had obtained their Master's degree prior to 19th September, 1991. The eligibility marks of 55% (or an equivalent grade in a point scale wherever grading system is followed) and the relaxation of 5% to the categories mentioned above are permissible based only on the qualifying marks without including the grace marks procedures.
- (c) An Equivalence Committee may be constituted by the Vice Chancellor to consider applications other than those covered under Clause 4(a). It may propose other qualifications in specific areas, consistent with the norms of the statutory bodies, to the ViceChancellor for its recommendation to the AC for approval.
- (d) If considered necessary, FRC may propose other qualifications/requirements in specific areas, consistent with the norms of the statutory bodies, to the ViceChancellor for its recommendation to the Academic Council for approval.
- (e) In exceptional cases a Candidate holding a Master's degree in an allied subject may also be considered for admission.
- (f) Students appearing for final year or final semester of their post- graduate degree examination will also be eligible to appear for the admission process subject to the fulfillment of minimum eligibility criteria in the final result.

5. INTAKE OF PH.D. PROGRAM

- (a) The University shall decide on an biannual basis through its academic units a predetermined and manageable number of Ph.D. Candidates to be admitted depending on the number of available Research Supervisors and other academic and physical facilities available, keeping in mind the norms regarding the Candidate-teacher ratio, laboratory, library and such other facilities.

- (b) The admission shall be based on the criteria notified by the University, keeping in view the guidelines/norms in this regard issued by the UGC and other statutory bodies concerned, and taking into account the reservation policy of the Central/State Government from time to time.

6. PROCEDURE FOR ADMISSIONS

- (a) Applications for admission to Ph.D. Program shall be invited through an open advertisement, for pre-determined intake for each research domain in the prescribed form as laid down by the University, from time to time.
- (b) The University shall admit Ph.D. Candidates only through an entrance test conducted by the Admission Cell of Rama University. It shall be conducted for different research disciplines by the University itself at the Centre(s) notified in advance.

9. REGISTRATION TO THE PH.D. PROGRAM

- (a) The date of registration of the Candidate shall be the date of the payment done by candidate for registration. i.e. date of payment of registration fees. The candidate will be issued registration letter after registration done by the candidate. The registration period will end on the date of submission of thesis.
- (b) During the period when the Registration of the Candidate is in force, the Candidate shall pay the prescribed and other applicable fees to the University at the notified time intervals.

10. COURSE WORK

- (a) Each Department of a Faculty shall offer a bouquet of Course work related to its core research areas. All courses prescribed for Ph.D. course work shall be in

- conformity with the credit hour instructional requirement duly approved by the authorized academic bodies.
- (b) After Registration each Candidate shall undergo a course work as a pre-requisite for Ph.D. preparation.
 - (c) A minimum 12 credits course work shall be mandatory for all the registered Candidates (as per UGC guidelines).
 - (d) The FRC may recommend additional courses based on the research area and academic background of the Candidate, subject to a maximum of 16 credits.
 - (e) The Course work may be graded based on a written exam *or* an assignment *or* a publication. This shall be decided in advance at the time of the allocation of each Course work.
 - (f) A Ph.D. Candidate has to obtain a minimum of 55% marks or its equivalent grade in the UGC 7-point scale (or an equivalent grade/CGPA in a point scale wherever grading system is followed) in the course work in order to be eligible to continue in the Program and submit the dissertation/thesis.
 - (g) The minimum credits through course work needs to be completed within the first two semesters for Full-Time as well as Part-time Candidates failing which the Registration of the Candidate shall be cancelled.
 - (h) The FRC will not conduct the synopsis presentation of the candidate unless the Candidate has earned the requisite Course Work Credits.
 - (i) Candidates already holding M.Phil. Degree and admitted to the Ph.D. Program, or those who have already completed the course work in M.Phil and have been permitted to proceed to the Ph.D. in integrated course, may be exempted by the Department from the Ph.D. course work.
 - (j) Equivalent course credits may be transferred to the University if recommended by the Equivalence Committee constituted by Vice Chancellor for evaluation of the course work done by the Candidate at another recognized university at the similar level.

11.ALLOCATION OF SUPERVISOR

- (a) The University shall decide on an annual basis a predetermined and manageable number of Ph.D. seats in each domain depending on the number of the available eligible Faculty Supervisors based on applicable statutory norms.
- (b) Any regular Professor of the University with a Ph.D. degree and at least five research publications in refereed journals and any Associate/Assistant Professor of the University with a Ph.D. degree and at least two research publications in refereed journals shall be eligible to be a Ph.D. Supervisor.
- (c) Provided that in areas/disciplines where there is no or only a limited number of refereed journals, the University may relax the above condition for recognition of a person as Research Supervisor with reasons recorded in writing.
- (d) Only a full time regular teacher of the University can act as a Supervisor. An external Supervisor is not allowed. However, Co-supervisor may be allowed in inter-disciplinary areas from other department of the same institute or from outside organizations with approval of the ViceChancellor, RU.
- (e) The allocation of Supervisor for a Candidate shall be decided by the concerned FRC depending on the number of Candidates per Supervisor, the available specialization among the Supervisors and research interests of the Candidates as indicated by them at the time of Personal interview/viva.
- (f) No change of supervisor shall ordinarily be allowed, but in special cases, where the research work of a Candidate will suffer because:
- i. the supervisor may not be available to guide the Candidate on account of migration, retirement, long leave, or for any other reason; *or*
 - ii. the supervisor is not willing to, or not in a position to supervise a Candidate, *or*
 - iii. due to existence of extra-ordinarily situations necessitating such a change;
- in such a case the FRC may recommend a change of supervisor to the ViceChancellor, who may approve change of the supervisor.
- The FRC, at its discretion, may also decide whether change of supervisor will require fresh registration of the Candidate.
- (g) At any point of time, total number of Ph.D. seats shall not exceed eight for a Professor, six for an Associate Professor and 4 four for an Assistant Professor.
- (h) A supervisor shall not be allowed to supervise a Candidate who is his/her relative

whether by blood or by marriage.

12. APPROVAL OF SYNOPSIS

 - ii. The Review of related Literature (including Summary of the current technology/developments)
 - iii. The Statement of the Problem of the proposed research work
 - iv. The rationale of the Study
 - v. Outline of research proposal
 - vi. Objectives of research proposal
 - vii. Proposed methodology/ hypothesis(es)
 - viii. Possible applications of the proposed research
 - ix. Name of proposed Supervisor and/ or Co-supervisors
- (b) The presentation shall be made within two months after allocation of Supervisor and the Synopsis should reach the FRC members at least one week before the date of presentation.
- (c) The FRC may act on any of the following courses:
- i. upon making itself satisfied with the proposed Synopsis constitution of the RAC is done; *or*
 - ii. if not satisfied with the Synopsis, ask the Candidate to re-submit a revised Synopsis.
- (d) The Candidate can make another presentation before FRC within one month of the first unsuccessful presentation.
- (e) A Candidate shall ordinarily be allowed only two attempts for presentation before the FRC. In case, the Synopsis of a Candidate is not approved after second attempt, his/ her registration shall be cancelled.
- (f) A third attempt may be allowed only with the approval of the ViceChancellor on the recommendation of the FRC, with fresh registration.

- (g) Change of Title of research project may be permitted, provided the RAC and the Supervisor of the Candidate concerned recommend it. Such changes shall be generally allowed within one year of the first approval of the Synopsis and Title; but under no circumstances it will be allowed after acceptance of Pre-submission Report by the FRC.

13. RESEARCH ADVISORY COMMITTEE

- (a) There shall be a Research Advisory Committee (RAC) for each Ph.D. Candidate.
- (b) At the end of each six months from the date of approval of synopsis by the FRC the Candidate will submit a progress report in the specified format to the RAC.
- (c) The Candidate will also make a presentation to the RAC for evaluation of the work and further guidance.
- (d) The RAC after having considered the progress report of the Candidate may recommend one of the following:
- i. Continuation of registration; *or*
 - ii. In case the progress of the research Candidate is unsatisfactory, the RAC shall record the reasons for the same and suggest corrective measures and may recommend continuation of registration with issuance of a warning to improve his/ her performance in consultation with the Supervisor(s); *or*
 - iii. Termination of registration if unsatisfied with progress of the candidate.
- (e) The six monthly progress report, with recommendations of the RAC, shall be submitted to the Chairperson of the FRC for final approval.
- (f) A minimum of four such six monthly reports shall be submitted by the Candidate where the RAC and Chairperson of the FRC recommends continuation of Registration.

14. PUBLICATION REQUIREMENTS

- (a) Before submission of the Pre-Submission for adjudication each Candidate shall publish a minimum of two research papers in refereed journals based on his/her research work for the Ph.D. degree, and produce evidence for the same in the form of reprint or acceptance letter from the publisher(s) of the journal.
- (b) The University shall adopt UGC-Care as the minimum standard for a journal to be

considered as a refereed journal.
