

ACTION TAKEN REPORT

FACULTY FEEDBACK AND ACTION TAKEN REPORT 2022-23

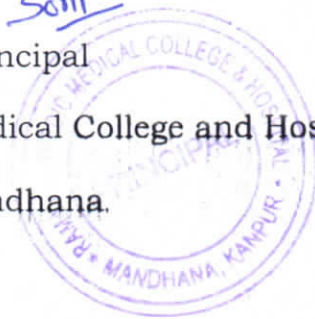

AYURVEDA (B.A.M.S.)

The faculty feedback regarding welfare of the students; relevance and distribution of the syllabus; academic and non-academic ambience; and technological development for the program B.A.M.S. were recorded and necessary actions were taken as shown in the table below.

S.NO.	FEEDBACK	ACTION TAKEN
1	Equal treatment of students irrespective of gender and background was suggested.	Stringent action is taken regarding the uniform etiquacy, to depict equality. Cultural events are organised to celebrate plurality.
2	Comfort students in coping with workload was suggested	Additional computers with internet facility are installed in the library for swift assess of necessary information. All information regarding seminars and workshops are displayed and announced in classes to increase the practical guidance.
3	Availability of text and reference books in the library was suggested	Library is filled with more books having references of classical and contemporary domain.
