

Students feedback suggestions and action taken report

Programme- B.Sc Nursing 2022-2023

Undergraduate Feedback will be focused on curriculum, syllabi, teaching and learning. Students suggestions will be taken into consideration and after discussion with the appropriate members, action based on suggestions will be implemented to facilitate students in every possible way.

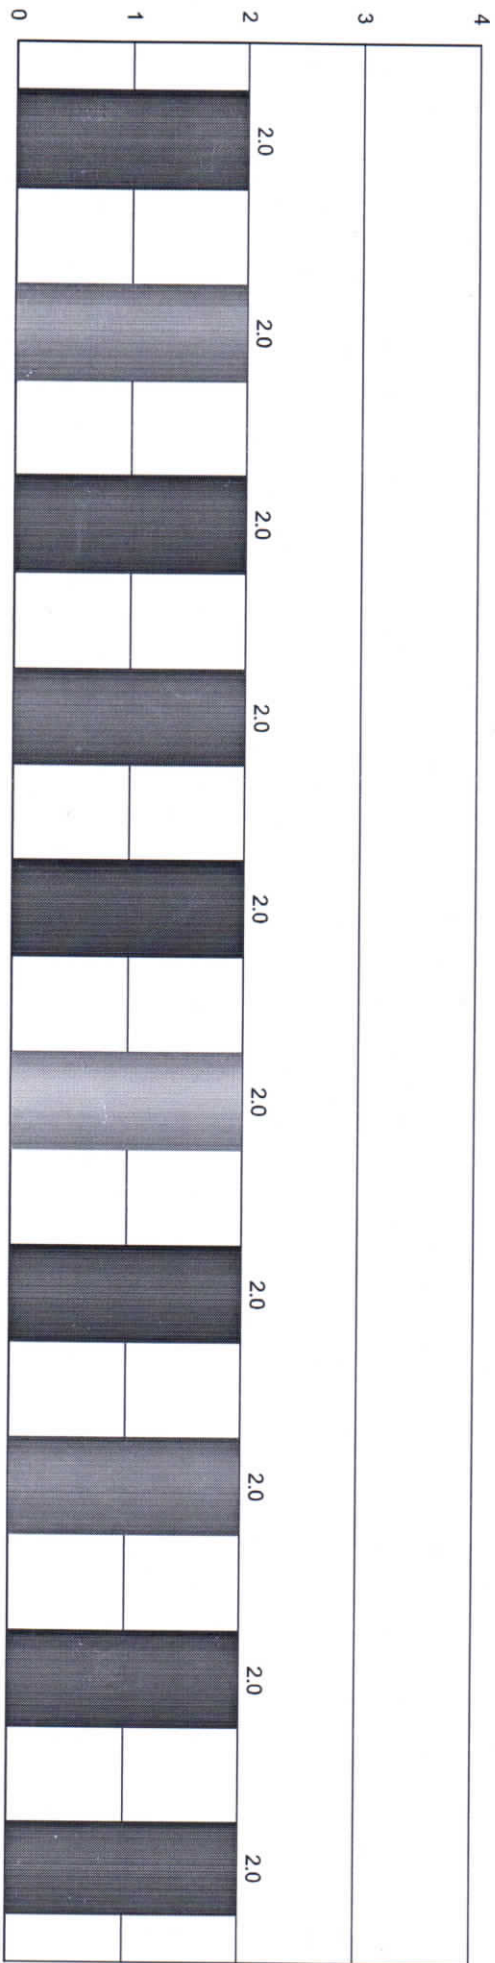

S.No	Suggestion	Action taken
1	Students suggested more clinical exposure and hands on exposure to enhance students clinical skills in their field of expertise.	Formal instructions will be circulated to all the HOD's for addressing the issue of increasing practical sessions with hands on training with the OSCE Method in small groups. Clinical postings will be concentrated more along with regular lectures as per INC and UPSMF regulations.
2	Students emphasized on more industry visits based on the courses	More industry visits will be planned periodically based on the course needs of the students.
3	Strengthening of extracurricular activities	Department exhibitions, conferences, interdepartmental competitions, Quiz competitions etc. will be planned.

B.Sc nursing

Students feedback suggestions and action taken report

Programme- P.B.B.Sc Nursing 2022-2023

Student feedback analysis will be discussed and following points will be decided –

- a. forward suggestion to Library in-charge to include sufficient copies of all relevant textbooks and reference books in library for easy access to students and the hours of working will be increased.
- b. More demonstrations & small group teaching to be included so that students get adequate exposure to 'must know' as well as 'nice to know' topics
- c. formative assessments to be increased
