Agenda:

S.No.	Item No.	Agenda
1.	RU/FPHS/2023/01	To analyze the students curriculum feed back at FPHS

 Dean
 Faculty of Pharmaceutical Sciences
 Rama University, Kanpur

Discussion	Action Taken
RU/FPHS/2023/01	
<p>To analyze the student's curriculum feed back at FPHS on following points. Members have found that on following points students have given only 50% satisfaction.</p> <p>1-Topics for competitive examinations included in the syllabus.</p> <p>2- Research orientation obtained during the programme.</p> <p>3- Learning values (In terms of knowledge. concepts. manual skills. Analytical abilities and broadening perspectives).</p> <p>4- Institutional efforts to orient on its vision and mission.</p> <p>5- Employment orientation in the curriculum.</p> <p>6- Depth of the course content including project work if any.</p> <p>7- Applicability/relevance to real life situation.</p>	<p>1- This Curriculum is prescribed by Pharmacy Council of India (PCI) governing authority of Pharmacy. So any change in syllabus is not possible. All pharmacy colleges adhered with the same syllabus throughout the India.</p> <p>2- While considering the students feedback regarding curriculum. Chairperson have instructed to taken following action to overcome the students issues regarding curriculum.</p> <p>2(a) To give an orientation of research small project will be allotted to every Pre and final year students and report must also be submitted to the college.</p> <p>2(b) To enhance the learning skills and analytical abilities, case study based and reasoning question must be implemented in their regular classes and small group discussion must be arranged.</p> <p>2(c) Regular online and offline expert lecture must be arranged to let the students aware about latest industry updates and research criteria.</p> <p>2(d) To address the employment issues regular aptitude and personality development is already implemented.</p> <p>2(e) Project work is already implemented as per PCI in final year.</p> <p>2(f) Case study based question and logical question in group discussion must be implemented.</p>
