

## Student Feedback Action Taken Report 2021-22

The feedback collected from students included various suggestions, concerns, and recommendations pertaining to their academic experience. The analysis revealed common themes and specific areas that required attention. These themes were primarily related to the quality of teaching, resources, and student support.

Year	Feedback	Action Taken
2021-22	Educational workshop should be organized.	The department is planning to organize Educational Workshop, Guest Lectures and Industry Visit and mentorship program.
2021-22	The university needs to focus more on the extra-curricular activities and industrial visit for getting job and placement.	The department is planning to organize Extra-curricular activities like speech competition, Debate, Nukkad Natak, Poster making Competition.
2021-22	Student mentorship program to help freshmen transition into university life.	<p><b>Student Support:</b></p> <p><b>Counseling Services:</b> The department is establishing a counseling center to provide emotional and academic support to students facing personal or academic challenges.</p> <p><b>Academic Advisors:</b> Students will now have access to academic advisors who can assist in curriculum planning, course selection, and career guidance.</p> <p><b>Feedback Mechanism:</b> We are planning to introduce a more comprehensive feedback mechanism that</p>

		<p>allows students to submit anonymous suggestions and concerns, which will be reviewed and addressed regularly.</p>
<p>2021-22</p>	<p>Updating and enhancing library resources, laboratories, and other facilities is essential. Access to modern technology and research materials can significantly contribute to academic growth.</p>	<p><b>Resources and Infrastructure:</b></p> <p><b>Updated Facilities:</b> The department is investing in modernizing its facilities, including the creation of multimedia labs and the acquisition of up-to-date equipment.</p> <p><b>Library Resources:</b> We are planning to expand the collection of journals, books, and digital resources in the department's library to cater to the diverse needs of our students.</p>

##### **Curriculum Program Feedback Analysis (Student) Session:2021-2022**

- Encourage and facilitate undergraduate research opportunities, promoting engagement and hands-on learning.
- Updating and enhancing library resources, laboratories, and other facilities is essential. Access to modern technology and research materials can significantly contribute to academic growth.
- Consistency in grading, assignment expectations, and class scheduling can greatly benefit students. A clear and accessible syllabus at the beginning of each course would be highly appreciated.
- Student mentorship program to help freshmen transition into university life.
- Educational workshop should be organized.
